## REPORT OF SUPERINTENDENT OF SCHOOLS

Following is a report of the work of the schools of the district for the year 1929-30:

### SCHOOL STATISTICS

No. half-days lost	0	0	0	0	16
No. pupils registered	17	26	16	59	68

No. visits of Superintendent	26	28	29	83	92
No. of visits of citizens	57	29	26	112	158

1. From the above it may be noted that every school had full 360 half-days in session.
2. The attendance percentage has been very good.
3. The increase in tardiness was mostly at the South school.
4. The average membership is slightly less.

The number of pupils enrolled in the public schools of the district was 59. Three other pupils residing in the district attended the public high school at Warner. The total number of pupils residing in the district and attending public schools was therefore 62. The per capita tax for December, 1931, is \$124.

#### ROLL OF PERFECT ATTENDANCE

*For Full Year*—Raymond Currier, Stanley Currier, Henry Bushway, Lucile Fortune, Rolland Hall, Janet Maxfield, Marjorie Muzzey, Edwin Maxfield, Henry Pepin, Arthur Bushway, Doris Muzzey.

*For Three 9-Week Periods*—Arthur Leach, Robert Kean, Adele Rogalski, Junior Brook, Jean Plumeridge, Irene Muzzey.

*For Two 9-Week Periods*—Cecilia Burton, Francis Burton, Frances Leach, Jeannette Rogalski, Walter Rogalski, Gordon Creamer, Josephine Creamer, Alice Croteau, Bernard Croteau, Irene Croteau, Walter Croteau, Carlson Gregory, Janet Muzzey.

*For One 9-Week Period*—William Burton, Dorothea Leach, Lyman Miller, Alice Hewey, Henry Hewey, Mildred Hewey, Francis Hewey, Nellie Starkey, Margaret Parker, Barbara Rowe, Marshall Rowe.

#### HEALTH INSPECTION

The usual health inspection of the schools was made by V. Florence Chadburn, R. N., and reported as follows:

No. of pupils examined .....	56
No. teachers examined .....	1
No. cases defective vision .....	3
No. defective hearing .....	1
No. nervous condition .....	1
No. defective teeth .....	30
No. defective tonsils .....	16

No. defective breathing .....	3
No. adenoids .....	1

This inspection shows a large number of pupils with defective teeth. We could therefore again recommend as last year, that a dental clinic for all pupils be held. The rates prevailing at such clinics are about half the usual rates charged by dentists.

Graduation exercises of the eighth grade were held at Newbury and the following pupils received diplomas:

From Baker Hill School—Lyla Black, Nellie Black, Viola Black.

From the Center School—Arthur Bushway, Bernard Croteau, Robert Kean, Janet Maxfield, Marjorie Muzzey, Adele Rogalski, Walter Rogalski.

Practically all the above entered high school the next fall.

The Center schoolhouse is quite often visited by superintendents and other educators with a view of modeling buildings in other towns of the state after it. The district may well be proud of this school. At the South school there is need of a steel ceiling. The lighting might also be improved by the addition of one or two windows at the rear of the left side of the room where the stove now stands. As the room is so large a part of it might be partitioned off to make a lunch room as at the Center school. With the addition of single adjustable desks in place of the old double desks, and a chemical toilet this building would be brought up to the same standard as the others.

In conclusion we wish to state that we have found our work with the board and teachers pleasant, and wish to thank all who have in any way contributed to the advancement of school work.

Respectfully submitted,

JOHN A. SINCLAIR,

*Superintendent of Schools,*

*Supervisory Union, No. 61.*
